

Disadvantaged gaps analysis (Dec 2018)

Greenslade

Introduction

This analysis shows performance gaps between disadvantaged and non disadvantaged pupils within your school and against national performance. The aim of this analysis is to:

- Provide schools with evidence to support Ofsted inspections; and
- Further improve outcomes for pupils who have been eligible for free school meals at any point within the last six years and looked after children/children adopted from care*.

The analysis shows in-school gaps, national disadvantaged gaps and national non disadvantaged gaps.

Cohort sizes

It is important to consider cohort sizes as small base numbers can have a large impact on percentage/APS figures:

School total cohort sizes (at the time of the assessments)

	2015	2016	2017	2018
Reception	29	30	30	29
Year 1	29	29	30	30
Year 2	30	30	30	29
Year 6 (adjusted)	30	27	25	29

School disadvantaged** cohort sizes

	2015	2016	2017	2018
Reception*	11	5	3	3
Year 1	6	10	4	4
Year 2	7	7	11	4
Year 6 (adjusted)	10	8	9	10

School not disadvantaged** cohort sizes

	2015	2016	2017	2018
Reception*	18	25	27	26
Year 1	23	19	26	26
Year 2	23	23	19	25
Year 6 (adjusted)	20	19	16	19

*The DfE do not provide disadvantaged data for EYFSP; this data reflects FSM vs not FSM eligibility

**note: whilst service children are entitled to PP, they are not included in the DfE definition of disadvantaged therefore are not within the disadvantaged groups set out in this analysis

Differences in gaps may vary by 1% due to rounding throughout this analysis.

Early Years Foundation Stage Profile

In school EYFSP gap

EYFSP (% achieving a good level of development)

	2016	2017	2018	Improvement/Decline 17-18
