Appendix 2:

Curriculum Map (Key Stage 1 and 2):

Our whole school approach is based around three core themes; Health and Wellbeing, Relationships and Living in the Wider World, although some half term blocks will draw on more than one core theme. The long term and medium-term plan below is colour coordinated with these three themes. Use the key below to identify.

Teaching builds according to the age and needs of the pupils throughout the primary phase with suggested developmentally appropriate learning objectives given to respond to each key question.

We have chosen to use the core themes from the PSHE Association Programme of Study and the suggested topic titles from the PSHE Association Primary Planning Toolkit as a basis for our curriculum framework.
